“ *Shirley was quite comical. I truly don't know too many people like her, she was definitely one of a kind. We had alot of laughs and good talks over the phone, as well as praying for one another & the world around us. We would share the messages from pastors we had seen on tv preaching the gospel from God's word since the last time we talked. We talked often and looked forward to hearing from one another. I have many fond memories of all those talks we shared and just hearing her voice of cheer, positivity, and hope for not just at the moment & future; but for eternal life that awaited her and us as Christians. She was a light.
All my love to Carolyn and Sandy,

“ *What a precious sweet lady! Shirley and her parents use to come to my home for Bible Study years ago. We also went to the same church. I was preparing to go in the hospital for surgery over 40 years ago and after church one day Shirley ask me to follow her out to her car. She had bought me two gowns and robes from Dillard’s, so nice, and only God knew that I had no gown or robe. What a blessing she was to me. She always had such a sweet spirit. Well done Shirley, will meet you on the other side! Thanks for letting your light shine! Linda Thompson*
