“ *Shirley was a dear friend and an old coworker of mine. She treated my family and me like we were her own family and would have done anything she could for us. She was difficult at times but you always knew where her heart was and that was a love for God and to help people be the best of themselves that they can be.(whether they wanted to hear it or not). She spent all her life taking care of others one way or the other and she will be missed by many. Goodbye Granny Shirley, until we meet again with our heavenly Father.*

She will be missed (already is) we have been neighbors for 30 plus yrs. She was a blessing and always had a mission she was working on....she was never idol and always praying for all of us, i cant even imagine seeing anyone else in her home. I can only imagine how happy she is right now , no more suffering or worry, totally healthy and happy greeting and visiting with many loved ones, furry and human :)
