Don't Cry Anymore

Don't cry any more tears for me,
I am at peace and finally free.
Like eagles in the sky,
I am soaring, so please don't cry.
I know you love me; I love you too.

But my time was over, it was through.
I have ascended to a better place,
Which is not confined by time or space.
To those that loved me, I did not fall;
Instead I succumbed to a higher call.
Do not mourn me, I am with you still.
I'll always be with you, from dawn—until.

“ Oh Teppy so many memories to talk about , what havnt we done with each other... I'm pretty sure we have done it all! You were my child hood! I was your child hood! I'm pretty sure we would have something to talk about every day for a whole year of the things we did...! I know I'm jealous of you right now, you are in the most beautiful place with the most beautiful people, no more hurt, no more sadness, no more bad that goes on in this world... Just peacefulness! I love your girls so very much... And I promise to help them when I can, and be there for them when I can. I hope to be back out west next year and I promise I'll come visit you... Last time wasn't long enough! I love you!
