

Stephanie Husen, DO

April 19, 1974 - June 1, 2022

Stephanie Jolene Husen was born on Friday, April 19, 1974, in Cincinnati, Ohio, to Greg and Joyce (Gleason) Husen. She passed from this life on Wednesday, June 1, 2022, in Tulsa, Oklahoma at the age of 48.

Stephanie was the second of three children born to Greg and Joyce Husen. She graduated from Ponca City High School in 1992. From there she received her degree in Physical Therapy from the University of Oklahoma. She was involved in multiple activities at the University of Oklahoma including the Chi Omega sorority. After an automobile accident, she made the decision to attend medical school to further her passion for medicine. Stephanie received her D.O. degree from Oklahoma State University, College of Medicine in 2004.

After medical school, she completed a residency in Internal Medicine and Pediatrics at Greenville Memorial Hospital in South Carolina. She went on to complete a fellowship in Sports Medicine at Steadman Hawkins Clinic of the Carolinas. She provided medical care at Integris Medical Center, Jim Thorpe Rehabilitation Center, and Mercy Hospital in Oklahoma City before moving to Tulsa. She worked as a sports medicine physician at Saint Francis Warren Clinic for the past seven years. She had a passion for healing and took pride in the care she gave her patients. This passion for caring extended beyond her patients.

“Stephie” was an amazing, giving person as a daughter, sister, sister-in-law, aunt and friend. She was also a proud “mom” to her two rescue dogs Boomer and Sooner, whom she often said “rescued her”. Stephanie was adored by her family and especially her niece and four nephews. She never missed a family or friend’s birthday and attended as many niece and nephew events as possible. She faced adversity with courage, humor, and positivity. She had a gift and a smile for everyone on every occasion and was always there for advice and encouragement.

Stephanie was fortunate to find her soulmate in Rob Rodgers of Tulsa. She poured her heart and soul into his children, Bennett and Sydney, and truly loved them like they were hers.

Left to cherish her memory are parents: Greg and Joyce Husen of Broken Arrow

Brother, Jeffrey Husen and his wife Beth, of Tulsa

Brother, A.C. Husen and his wife Annie of Oklahoma City

Niece, Andi Husen

Nephews, Nate Husen, Gib Husen, Michael Husen, and Jacob Husen

Soulmate: Rob Rodgers, and his two children: Bennett Rodgers and Sydney Rodgers

And numerous aunts, uncles, and cousins

Those who preceded her in death were her grandparents: Alfred and Georgiann Husen and Charles and Gertrude Gleason; and her beloved dogs Boomer and Sooner.

In lieu of flowers, the family requests donations made in Stephanie’s name to either Pets Helping People - Muddy Paws Pet Grooming, where she had her own dogs cared for; or Oklahoma Westie Rescue Foundation.

“ *I saw Dr. Husen three times this year and she was wonderful. I told several friends how kind, caring and thoughtful she was to me during these visits. At the end of each visit I told Dr. Husen how grateful I was for her kindness and advice. I know she knew how much I appreciated her help. She will be missed by me and many others. My prayers go out to her family and friends.*

“ Dr. Husen has been my Mother’s physician for the past 6 months. I take my 96 year old Mom to get injections in her knees every 3 months. Dr. Husen has always been the dearest, giving those injections with a steady hand and a compassionate heart. My Mom, Edith Hydrick adored Dr Husen and certainly let her know it. She never rushed us at all and let my mother tell her everything going on in our lives. She would let Mom pat her and hold her hand. I am so thankful that we told her how much we cared about her and appreciated her. She would always ask me how I was doing. I’m not the patient but she understood my role and I felt her compassion. I knew I could call if I needed. My Mom always told her we loved her as we were leaving. And I let her know how much we appreciated her. She would wave it off and say it was her pleased. I’m so thankful that we told her how we felt about her! Mother and I are heartbroken and struggling to understand how this can be reality. We are so blessed that she was part of our lives. Her light will always shine in our hearts. We send love and light to the family and friends of Dr. Husen. Bless you!

That was supposed to be 6 years! Sorry for my error. Kathy Shroff

I have been seeing Dr. Husen for 6 years. She has treated me for a broken back, broken right leg, post surgical shoulder problems, and every 6 month knee injections. During my visits we found we shared many similar experiences. I was a professor at OUHSC, and we knew many of the same people. I will be campaigning and voting for sensible gun control laws and increased funding for mental health in memory of her.

“ I met Stephanie my freshman year at The University of Oklahoma and she was a sophomore. My cousin, Chad Webster, introduced me to her and a couple other women from the Chi Omega house. I was a frightened young woman, only knowing my cousin at the University until I was introduced to her. I was anti Greek and up until meeting her and her friends, all the stereotypes of sororities had been proven true. Stephanie helped change my entire experience at our college. She was by far, one of the kindest, generous and most loving human beings one could ever get to call a friend. I will never forget her kind heart and how much it impacted my life.

“ *The first time I visited with Dr. Husen, we jokingly claimed to distrust each other because she was all dogs and I was all cats. But, over the course of our doctor/patient relationship, I discovered the most compassionate, persistent and thoughtful spirit. She is one of those rare people who was innately gifted at being present and all in - whether cracking jokes, or putting the medical puzzle pieces together until there was a clear diagnoses and a path to healing. I am so grateful that her life crossed with my own. I am so deeply thankful to have experienced just a small, but powerful glimpse into the grace, kindness and joy of Dr. Husen. Heartfelt sympathies to her family and friends. She was a bright light.*

“ *I was a patient of Dr. Husen's. She did my knee injections. One time, I felt faint and nauseous after, and she had me lie down. I told her I knew she was busy and to go ahead seeing her other patients. She pulled up her stool and sat beside me, rubbing my leg, and told me she wasn't going anywhere until I felt better. Kind, compassionate... that's what kind of doctor she was. Thank you Dr. Husen.. I will miss you..*

“ I took my 96-year-old father to Dr. Husen on three different occasions. She was beyond kind, patient, and thoughtful with my dad. He wasn't too happy that his prior orthopedic doctor had taken a job with a sports team which meant he would be seeing a "woman" doctor. After his second visit when Dr. Husen's treatment worked wonders, he "loved" Dr. Husen. He was smiling and happy to go see Dr. Husen the next time. John 16:33 tells us that we will have trouble in this world, but we are to take heart as He overcame the world.

Thank you, Lord, for Dr. Husen's life. JJ
