“ *I was part of the Lovell family for years, and saw Steve go thru so many up's and downs. It is wonderful to know he was surrounded by lots of family and was happy. He would tell me he was "the black sheep of the family" ... but he really wasn't. If any of our newest generation shows up with red hair, well we knew where it came from, uncle Steve. Condolence to his family, and I hope the photos and stories of his life , bring you comfort.*
