“ I worked with Steve for almost 15 years and travelled with him on numerous occasions. He was joy to be around and made business trips a pleasure. He just had a way of bringing common sense and levity where it was often needed. The next sales meeting just won't be the same.

Steve, I will miss you.

“ *I am very sad to hear of Steve's passing. He was my "brother from another mother" we would say. Steve and I were born 2 days apart, both from Houston, in the same hospital. We joked we were probable asking for a glass of wine together. I only knew him for 8 years, as we were co-workers, but we became very close. I will miss his almost weekly calls, talking about business or just talking about life. He was a great man! My prayers with Suzanne and the family.*

“ My heart is sadden in learning of the sudden death of a great man. I came to know of Steve and his beautiful wife in 2008 on one of their day trips which in turned led to many more trips. My nieces, my best friend (Melody)who is now in the arms of God, and other friends have enjoyed many trips and cruises since that first trip. My prayers are for the family that the God will ease your pain by filling your hearts with many fond memories of a Husband, Father, Son, Brother, Friend, well, a wonderful man....
