“ Sue was one of my best friends in high school and college. She was a Bridesmaid at my wedding in 1961. We lost touch over the years and I was unaware of her passing until I called her and Jordan answered and I asked to speak to her and he had to tell me of her death

“ I had no idea Sue had passed away. I worked with her at the State Insurance Fund for a few years. She was a great lady - great sense of humor. So sorry for your loss! -Capri McCurley
