

Susan Schrader

October 26, 1944 - May 13, 2021

Susan Marie Schrader was born in Detroit, Michigan on Thursday, October 26, 1944 to John Mark and Phyllis Louise (Eberle) Kunath. She passed from this life to join her husband, Ron, and her loving Savior, Jesus, on Thursday, May 13, 2021 at her home in Broken Arrow, Oklahoma.

Susan was the oldest of four children, with two sisters and one brother. Susan was born with a deep love for God and a servant's heart, both of which guided her throughout life. She graduated from Regina High School in Harper Woods, Michigan in 1962 and attended Grace Hospital School of Nursing in Detroit, Michigan. However, her desire to serve God led her to join the convent. Shortly thereafter Susan realized nursing was a better fit and left the convent as a postulate. She returned to school and earned her LPN (Licensed Practical Nurse) certification. In 1964 she met Ronald Schrader following his return home from serving his country in the U.S. Army. They were married on October 2, 1965 in Detroit, Michigan. Susan ministered to many people throughout her 40 year career as a nurse (LPN) and many more as a missionary later in life. Susan and Ronald became parents to five children: two sons and three daughters. In 1984, Ronald and Susan moved their family to Tulsa, Oklahoma. They soon became active members of Victory Christian Center where Susan and Ronald both sang in the choir. In 2011 Susan became an ordained minister. Susan's continued love for the Lord and desire to serve him, led to many opportunities to serve as a missionary overseas in

countries such as Rwanda, Russia and Ukraine.

Susan lived a life that was truly blessed and highly favored. She had a smile that lit up the room, a compassionate heart, a vibrant personality, endless energy and an innate ability to be in the right place at the right time. Susan was loved by all who met her and will be missed tremendously.

“ *I was saddened to hear about Susan's passing but GOD is so awesome. I can't just truly remember when we met but when I first met her I do know I wasn't even a nurse yet. When we met again I was and RN (doing pick up work) at a Rehab facility walked in and there was Susan and I hadn't seen her in a few years still bright red hair singing my name "GLORIA" always with a big smile. She would always tell me she loved my name and say you're "glorious" it would make my day. A few years passed again and I walked into another place and I heard someone singing my name and I said there's Susan big smile red hair I loved working with her we both loved God and would talk and catch up. Quite a few years have passed since I saw her last but God is awesome! Earlier this year I was out and someone else called out to me singing my name I turned around and thought of Susan even though it was a different another person I smiled and thought of Susan. After chatting with that person I walked away thinking to myself about Susan and whispered a prayer Lord I hope all is well with her. Now I know it is she is singing in the heavenly choir. Blessings and Peace to her entire family.*

“ I first met Ron & Susan while singing in VCC Choir. I'm not sure which attracted me more. Susan's smile & personality or her bright shining beautiful red hair!! We got to know them much better when sharing a month long mission trip to Russia & remained friends ever since. The loss of this couple leaves a giant hole in our lives, but we KNOW they are in a wonderful place now & we will see them again!!
