“ I want to extend my deepest condolences to the family; Suzanne was a beautiful lady inside and out. Suzanne stepped in as my mother when my mother couldn't be one. After my mother passed away, Suzanne continued to keep me as one of her chickens. She loved unconditionally, without judgement, and had a way of making one feel so special and truly loved. I will miss talking to her and hearing her voice; she was a real strength for me and for lots of others. Enjoy you time in Heaven Suzanne and take joy in a new and healthy body. Please keep watching over us, we all need your love.

*Blessings and Love to you all, Cindy Martin*

“ Dear Barbara and family. Of course I primarily remember Suzanne as your big sister. However, during the after high school years I did enjoy playing bridge her and Gail Gifford. And, I have enjoyed her on Facebook, although she thought I was a raving liberal. Just recently I posted to her an old photo of Fenberg Jewelry. So many years, so much happiness and so much sadness. I think of you and the two children I remember, frequently. So glad life has offered you some degree of fulfillment and contentment. God bless. Shalom. Sincere sympathy to Suzanne's children.

“ Suzanne and I were first cousins and were together a lot in early childhood when Suzanne and her parents, Uncle Joe and Aunt Wanda, were living with our grandmother, Grandma Norman.. She was 3 years old, and I was spending the night with her when she and Aunt Wanda left for Jefferson City, MO, to visit her other grandmother, Gertie Davis. The bus had an accident and Aunt Wanda died shortly after from her injuries. Suzanne and Uncle Joe lived with Grandma Norman for a time and then Uncle Joe married Aunt Lucy and Suzanne had a new sister, Barbara Ann, a pretty little girl with big brown eyes.. Not too long after they moved to Amarillo, TX, but would come every summer to See Grandma and so I would see Suzanne then. Through the years we would go for long periods without seeing or hearing from each other but when we did get together we would take up where we left off. She was always funny, warm and outgoing. She was beautiful and had such style. I am so glad I talked with her on her birthday this year. I loved her so and will miss her very, very much. Debbie, Matt, Gary, you and your families have my deepest sympathy. She told me many times what a loving family you were and how good all of you were to her.

*Aunt Pat, You were always a true inspiration to Mom! And such a vital part of her life in every way. Her childhood memories are mostly of you and your precious family members. I loved when we babysat Flynn in KC that you came over and had fun with us. That was Mom's last trip anywhere and it was delightful. It was even more special now, because it involved you! I love you so much and plan on staying in touch with you and the rest of the family!!!*

“ I will remember her Heart.  
She was open with her words, wisdom n humor.  
She is 1 of a kind.  
She had a way of showing Love just through her eyes.  
Her hugs r what I will miss.  
She is loved by many and will be Missed by So Many.  
She had a way with People & her acceptance of people of all walks of life was a trait that many people could learn from.  
Personally she became a friend to me, & my heart aches with her passing.  
I truly Loved her & will miss our chats.  
RIP Beautiful Lady

*“ Gary, Matt, and Debbie - rejoice in the fact that mom is no longer in discomfort. Perfect healing has been made available. We're all encouraged that God's plan was for you all to have time to spend with her and pour your love into her days before she said goodbye. I remember Suzanne as one of the many faithful Kids Inc moms sitting outside the fence with cokes in the cooler for after the game. Suzanne always offered a warm welcoming smile anytime you came to her home. God Bless you all.*

*Living next door to her and Barbara was something. My brother (6yrs my elder) thought I was nuts for not chasing after her but I was too shy and was very afraid of being put down....Really would like to sing with her again. Have nothing but good memories of "legs" Norman!*

“ *Suzanne was a beautiful person inside and out! She and my mom were best friends back in Amarillo. I was never around her that she didn't make me laugh and feel loved. After my mom passed, Suzanne always called to check on me and be sure I was doing ok! She called me September 25 of this year (my moms birthday) and we visited and talked about old memories! It was the last time I spoke with her, we both told each other that we loved one another before we hung up! That phone call will be a precious memory to me for many years! So glad we had it! Suzanne I miss you but I have no doubt you are with all the angels I have lost and loved and that makes me smile! ❤️❤️❤️*

“ Loved all the wonderful comments Suzanne made on pictures I would post of my family. She made me truly feel like it was my own mothers joy seeing the pictures.  
She was more than my friends mother growing up, she was my second mom and I will miss her dearly💔💔

Oh Linda, how wonderful the memories are, and we have those to hold on to for years to come. She was "one of a kind" and we know that she is one of our guardian angels looking over us all now. She loved you so much! So happy that we celebrated her 80th birthday together and had so much fun. You were always one of her favorites.

“ I was also blessed to know Suzanne and Debbie and loved watching Suzanne tell stories of each of her family members, as her face would just light up with joy. She loved each and every one of you. She loved her many friends and her faith,.  
Thank you Debbie for sharing her with us at "Country Club of Woodland Hills." We miss her and I loved her spirit so very much.  
Prayers for comfort to each of you.

It was a pleasure to meet you and many of the other's that made Mom's last years very happy! I am so grateful that our lives crossed and that we have so many wonderful stories to remember! “ I have many memories of times I've spent with Suzanne; especially those when I fell in love with Debbie as a toddler in Lubbock. We had so much fun at AHS double dating and just hanging out with friends. We played Bridge in Amarillo and tanned in Broken Arrow. We were able to visit with her a short while a year or so ago in Tulsa, and for that I'm grateful. I know her family will miss her as I will.

Thank you Barbara for your sentiments about Mom! She loved you and I am so happy that you came to see her. I will always love you and even though I do not remember the early years when you both were raising kids, I remember bits and pieces, but the fact that we all lived in Oklahoma for a number of years together was wonderful and you all got to be in each other's lives again! Thank you for your special memories.

“ *Debbie, my thoughts and prayers are with you and your family! It warms my heart thinking of your mom and my mom pushing their walkers down the halls at CCWH, heading to the smoke hole! *Oh Sue! The smoke hole will never be the same!!! Ha :-). Our Mom's really loved each other so very much and they are in a place where they can now do what they want, and when they want! Your Mom, Frances was one of her all time favorites, even though they only had a little over a year together as friends. It was as though they had known each other for a long time. Mom never really got over the loss of your sweet and precious Mom. Mom felt so blessed to know you all as did I.*
