“ I worked with Tammy when she lived in Springfield MO and worked for Cox Hospital. She always had a smile and was fun to work with. I found out she was working in Tulsa through my daughter in law who had met her at work there. It became a small world. I was so sorry to hear of Tammy's passing and at such a young age. May you have wonderful memories to carry you through the difficult days ahead. - Mary Fox

“ Tammy and I were neighbors when we lived in Centralia but I did not know her until we met at nursing school. She soon became a dear friend and confident. I still can't believe that she is gone. I keep thinking that I will wake up and it will be a bad dream. Tammy had a heart of gold and genuinely loved people and made the world a better place to be. She will always be loved by everyone who had the privilege to know her. I have no doubt that Tammy is resting in the arms of Jesus and that she heard that phrase we all long to hear “well done good and faithful servant “. She has earned her eternal rest.

“ Oh, my sweet Tam Tam. You left us too soon. My heart aches for your loss. I will never forget you, Tammy. We worked together in PACU at St Francis South. Tammy was always super excited to see me when I showed up to work. We were always laughing, dancing, or practicing Spanish. Ugh, I remember when I left PACU 2 weeks ago I was so sad to leave. She said to me this is not a goodbye but a see you later. I will cherish our friendship forever Tam Tam.

“ When I think of Tammy, so many words come to mind: kind, thoughtful, genuine, family oriented, great neighbor, fun. The world has lost a beautiful soul. Shawn, I hope you will find comfort in the joy and happiness you gave Tammy in the time you were together.

“ Tammy was the TRUE LOVE of my life. I have so many good memories that I hold dear to my heart. I believe she stopped my river of tears last night when I heard our wind chimes outside. It was like she was talking to me with the chimes. I usually take them down when it gets windy, but I don't think I can take them down ever again.
