December 23, 1990 - November 18, 2015

Tara Deanne Dixon

A Funeral Service for Tara Dixon has been scheduled for 1:00 PM, Tuesday, November 24, 2015 at the First Assembly of God Church in Coweta, Oklahoma. Burial will follow at Park Grove Cemetery in Broken Arrow, Oklahoma under the direction of Hayhurst Funeral Home.

Tara Deanne Dixon was born on December 23, 1990 in Tulsa, Oklahoma; the daughter of Nicole Mackey and Jason Hays. Tara went home to be with Jesus on Wednesday, November 18, 2015 in Tulsa, Oklahoma. She was 24 years of age.

The former Miss Tara Hays graduated from Coweta High School in 2009 and went on to attend Nursing School at Tulsa Community College. On June 8, 2010, Tara married Christian Dixon in Coweta, Oklahoma. Tara was a dedicated mother and wife. She was a beautiful person whose mission in life was to bring others to know God. She surrounded herself with good people and always strived to be a better Christian, as well as a better person. She loved being around her friends, family, and, of course, her husband Chris-- who was her world. She would have done anything and everything to make him happy. She exemplified how to be a great wife and friend. She put a smile on everyone's face. She also loved going to school. It was important to her to

be successful in life for her children one day. She also loved her dog, Jak Jak, and her mom's sweet tea. She would always call and make sure someone was watching after him if she was going to be home late. She was so excited and so nervous for Asher to be here. She loved him so very much. She even wanted to keep her big belly so she could continue to feel him move inside her. She talked to him every single day and wanted him to be the cutest baby ever. She was going to be an incredible mother and wanted to be just like her own mom. She is now watching over each and every one of us, especially Asher and Chris and is so loved by so many people. Tara was a member of the First Assembly of God Church in Coweta, Oklahoma. Memorials may be made to the United States Fund for UNICEF, 125 Maiden Lane, New York, NY 10038 or Coweta Assembly, 29707 E. Hwy 51, Coweta, OK 74429.

“ My precious baby girl, it's been a year now since you went to be with Jesus. It seems like yesterday, but feels like an eternity since I've seen your beautiful face. It has been the hardest year of our lives. I don't know why you were taken so soon, but even if I did, the pain would still be the same. Not a single moment goes by that I'm not thinking of you and missing you. I would have given my life to save yours. How I wish you could have seen your precious baby boy, and held him and got to be there for his 1st dr appt, or when he crawled, got his 1st tooth, said his 1st words, when he took his 1st steps and for his 1st birthday party. And every moment that you would have shared with him, and all the other 1st's that you will miss. I know you are his precious angel watching over him from above. He loves you so very much and smiles every time he sees your picture and loves to give you kisses. I tell him how much you love him, and tell him his mommy is an angel and lives in heaven with Jesus. We will raise your sweet boy knowing God and knowing you. I believe God has a very special plan for Asher.

A very wise person once told me this life is just a test, Tara you passed your test way ahead of the rest. It's taken me my whole life of trying, and you did in just 24 short years sis. You were always so happy and always trying to make sure everyone else was happy too. You gave so much of yourself to everyone you loved and were willing to do anything for anyone. You touched so many lives and are so loved by so many. Our lives will never be the same. I look forward to day the when I will see you again! I love you so much!

“ I don't remember the first time I met Tara but I remember the last time I saw her. Her and Chris had come out to my Mimi's house on the 4th of July, and they both sat by the pool, Tara and I were talking about The baby, and she would go on and on about how beautiful Asher was going to be, and we all can see she wasn't lying! And later on once it got dark, I remember Chris and my Uncle Nick went and set off the fireworks, while us kids and Tara sat back and enjoyed the show!
I will miss Tara VERY much, along with everybody else, and she was very precious to ALL of us, and I bet you nobody will ever forget that young beautiful child, while being in her 20s still sitting on her mother's lap!! I love you Tara!!!

“ *My sweet, precious Tara, my precious chic-a-dee my heart breaks more each breath I take.*

The bond and love we had will never change. It is bigger than the moon.

We spent many days together and I will cherish each one. My life will never be the same without you.

You are my little angel now and I know you are looking down on me and you don't want me to be sad.

You were so smart and beautiful and did so well getting your education and were so excited about starting nursing. You would have been one of the best.

I have prayed for you everyday since the first the first day I saw your precious face almost 25 years ago.

I know where you are now and I will be as good of a Christian that I can be so I can spend eternity with you.

I will help watch over Asher for you. He is perfect and a beautiful little guy.

I am so proud of you.

I love you to the moon and back. We will meet again one day. I know you are waiting for me at the gate. When we do I will hold you and never let you go.

I love you so very much.

“ *Our thoughts and prayers are with you all at this time of such sadness. She will be her son's guardian angel and he will know she is watching over him. Rejoice in the time she had here with you and love the beautiful child she left for all of you to love and teach about life. Know she is in a wonderful place and you will see her again someday.*

“ *My prayers for Chris and Asher and their future together, along with my friend Corale and her immediate family as well. I know all of you are grieving and hurting, but I had a thought of how Tara's death may have made us all aware of our loved ones and how we should be closer and say I love you more often. She was an angel and God called her home. God bless all of you at this time. Love to each of the family.*
