“ *My first day after my promotion to supervisor with USPS, Ted came over to me and handed me a form to fill out for N.A.P.S., the supervisor's organization. I told him he didn't waste any time and we had a chuckle. He was my Tour Supt. many times while at the Main Office in Tulsa. I always liked him and know he is missed. God bless.*

“ Ted was one of my first Supervisors at Donaldson Station in Tulsa. He was a very fair and honest hard working person. He also was in Mail Processing in Tulsa Main office when I went their as a 204-B, he pulled me out of some situations that made me respect him even more when he took the responsibility for my mistakes. He will be sorely missed.
