

## Terry Robl

October 3, 2022

Terry Lynn (Lacy) Robl was born in Great Bend, Kansas on Saturday, March 30, 1957, to Harold Ray and Lorna Dale (Nash) Lacy. She passed from this life in Broken Arrow, Oklahoma on Monday, October 3, 2022, at the age of 65.

She was the second of seven children born to the Lacy family. Her father worked construction, and her mother was a homemaker and also worked for the Fuller Brush Company. Terry was a very strong athlete growing up, competing in gymnastics, and on the track team as a long jumper and shot putter. She graduated from Great Bend High school in 1975. As an adult, she greatly enjoyed playing softball and volleyball.

She met the love of her life, Vince Robl, and the two were married on March 12, 1977, in Great Bend, Kansas. Their union resulted in three children. Terry worked as a dietary supervisor for Hillcrest Medical Center as well as a cashier at River Spirit

Casino in

Tulsa. That allowed her to enjoy one of her favorite hobbies, playing games at various

casinos in the area. She was partial to the “red ball machines”. Terry was a great cook,

especially looking forward each year to hosting her family’s Thanksgiving feast. She

always made a big deal out of her children and grandchildren’s birthdays, cooking their

favorite meal for them. Her family describe Terry as outgoing, loving, energetic, a fun-

loving jokester, and personable. She loved people and they loved her. Terry had a

spiritual relationship with God, and she will be missed by all who knew and loved her.

*I have known Terry since last 6 years but came to know her closely since last 2 years and she became my friend and mentor as she taught me a lot in the cafeteria. I learnt a lot from her which I will cherish and I always thought she was very strong person . I remember she was taking radiation and hurting but still she would come to work as she enjoyed working and like to visit with her customers every day. We all will miss her a lot . My condolences to her family and May her soul Rest In Peace.*

*My prayers and thoughts to the family if Terry Robl. I remember when she first became supervisor were we worked in the hospital cafeteria, she approached about my counting my drawer at the end of the day. Terry was very understanding and so patient with me to learn what she was showing me. We had many good laughs and eventually I learned her technique and how much easier and faster it was to count my drawer. When she learned she had cancer, she never let it get to her. Her determination, and strength to keep going, her positive attitude and cheerfulness was always there. Her love for her family and grandchildren was her life. She is a remarkable lady that will be truly misses. Treasure her memories and keep her forever in your ♡♡ Love, Stephanie L Baldwin!!*
