“ I've been Ted and Betty's neighbor since 1985 and what wonderful neighbors they have been. As mentioned, Ted's lawn was perfect and on occasion he would give me advice and even lend a hand to help me with mine. My prayers go out to Betty and her family. All the best, Elaine Tucker Cox

“ So incredibly blessed to have the honor of being Teds daughter in law. He spent hours trying to improve our lawn, building us fences, trying to straighten out our political views and grilling us steaks but the largest contribution to our family was his immense heart. His unswerving love for his little darlings (Betty and Karen), his Steve and his grandchildren has been a wonderful and so very special thing for me to be a part of. I will truly miss you Ted. I expect those fields to be putting green perfect when I get to heaven.
