“ For Tom ----

When my wife Susie and I started Timber Wolf Excavating Tom Williams came to work with us . He was a trucker to the core and loved it . He loved to climb up in what he called a big rig every morning and that's where he was the happiest . He loved to work and became a part of the business and moved in and lived next door to us right on the property next to where his beloved trucks were parked for the next 15 years . Tom worked hard to make Timber Wolf successful and was very proud of our success. Tom was a great father-in - law , a good friend , a good Nieghbor and the hardest worker . He was a generous man who would help anyone that he could. He loved his family with all his heart and they meant the world to him .When I think of Tom I see him sitting in the drivers seat of a "Big Rig" with one hand on the wheel and the other on the Air Horn and a big grin on his face and when you saw him you knew that man loved what he was doing. I loved Tom and will miss him very much . Rest In Peace

“ I'll always remember going down to St. Louis with my Uncle Tom. He was hauling a truck load of potatoes. I thought yeah, I want see the world. Well needless to say I found out what hard work was all about. I thought someone was gonna unload the truck. Nope just me and Uncle Tom. Here I was a young boy looking at a sea of potatoes. Got a good workout that day and learned a bit about life. Returning home I realized that my little hometown wasn't too bad. God bless you. You'll be deeply missed.

“ *To my brother- in- law Tom who was like a brother to me. I remember the night we ran your red truck off the road and drove through a mile of barbwire before we stop or when we parked under the no fishing sign and caught a 5 gallon bucket full of bullheads before the cops came. That was a good Friday fish fry. In good time and bad you were always the best. Rest in peace brother. Love You, Pooper*

“ Dear family, I am so sorry for your loss. I will never forget when he came into the bank to get money for new dentures (his lab had eaten his) I expressed my shock and what I would do with the dog and he said "it wasn't the dog's fault because he had left them on the table instead of putting them where they should have been". He was a joy to visit with each time he came into the bank (AVB).

“ *To my brother Thomas, in loving memory of the days swinging from the barn rafters on the farm, to sneaking cigarettes, to all the mischief we got into and never telling a soul. To the Sunday dinners we shared as a family, so many memories. Through sad times and happy times, through worry and wisdom to just being my brother. Will miss packing up those loaves of bread to send you every time you called and said, "Sis I'm out of bread." Love you from here to eternity your sister Tootie*

“ He is absolutely one of the best men I have ever had the honor of knowing. I am just so thankful I kissed him the last time I saw him! He will forever be in my heart! He was never spoke of in a bad way by anyone. Everyone was his friend. He would give the shirt off his back with out even asking for a favor. I loved this man! I will truly miss him! He no longer is in any pain. RIP Timberwolf Tom
