“ I wish I was there today to tell MY version of when you met Tina. Ever since I got to know you you had been looking for your "Mariah." Yes. You did tell me you met her in a club and I'd even agree that it was love at first sight... for you! Turns out she was your Mariah. It wasn't always easy, but it was always love.

We have all seen how much she has given you. Patience probably more than anything... but also love, two beautiful children, and a rock to lean on so that you could do the things you needed to support her in all she has planned for you beautiful family. Tina never seemed happier than when she was in service for you and the kids - for anyone in need. That's just what she did and continues to do even now with all that she has put in motion.

All I ask today is that you lean on all of us around you to help us continue what she would want for you and your family. Let us help in anyway we can. Lean hard on all around you. We are here sending love and whatever else you need. You don't even have to call. Just pick up when you can. I love you, Shan. Love to you, your babies, Tina's family, Shonta and her kids, Mrs. Peg and everyone whose heart is aching today for the loss of such a beautiful life.

“ While today is a sad day, I will choose to think of the happy memories I have of Tina. While we lost touch throughout the years, it has been awesome seeing a glimpse into here life from Facebook. What a beautiful loving family that she was part of. Tina your babies are beautiful and what love I see when I see the post and family pics.

My fond memories of Tina and Jamie were when our families lived in Hays and being over at their house watching after Tina and her little brother, who isn't so little anymore!

Sending love and healing thoughts to Tina , Aunt Sandra, Jamie, Shannon, Grayson, Logan and Shonta. I am sorry for your loss.

Tina-until we meet again.

“ *Such a sad, sad loss. Sending warm, comforting hugs to Aunt Sandra and Jamie. Since we heard the news, Donyell and I have been recalling many childhood memories at Grandpa and Grandma Mongeau’s house with all the cousins, aunts and uncles. And our times together with just Tina and Jamie in Hays. I remember babysitting you two, and after her shift, Aunt Sandra would bring me a “snowball”. Or, Uncle Sam driving me home on his motorcycle.*

Our sincere condolences to Shonta. You’ve not only lost a Sister-in-Law but a friend. Looking at the photos, vids and FB, its clear you two had a very strong bond. Peace and love to you.

My heart breaks for Shannon and those beautiful, beautiful babies. Sending peace and love to you as well.

Rest well cousin

“ *My heart breaks knowing we will not see each other again physically. So many memories growing up from holidays at grandpa & grandma Mongeau, to riding around in Hays, and sleep overs. I know you are no longer in pain and you were welcomed home by your dad and many relatives lost way to soon. May all those who knew her rejoice in your memories with her. May Shannon, Grayson & Logan know that she is with them each step of the way and that they each have a special guardian angel with them at all times. Hugs to Aunt Sandra, Jamie and the rest of the family. RIP my sweet cousin, until we meet again.*

“ *So sadden on the lost of a beautiful cousin. We hadn't seen each other for years, but got together 4 years ago, and picked up like there had been no time lost...remembering all the years spent at grandma and grandpa Mongeau in Zurich...every Sunday for fried chicken supper....Our dads were inseperable as brothers and we both felt the deep loss of them in our lives.... I admired her grace as a mother and such an advocate for her children...My prayers for all the family for peace and comfort, may the days ahead be filled with God's strength and love. Prayers that these two beautiful children know just how beautiful their mother was and just how much she loved them, along with the love she shared with her husband and any one she knew....Sending big hugs to Aunt Sandra and Jamie. Rest in peace now, in the arms of your daddy!*

“ I knew from the moment I met Tina that we would be great friends. Our first conversation was about the wonderful Pre K teacher our sons both had and from there a friendship blossomed. We had so much in common with our boys. I always knew she was listening when we talked and I always wanted to hear what she had to say. She had a way of speaking that made every word feel important. I will forever remember her beautiful smile, great advice, funny stories and the tears I saw in her eyes when she talked about her kids and their accomplishments. She was always so proud of them. She was always advocating for Grayson and raising awareness for autism and inclusion. She always made sure Logan knew she was the best little sister and a future advocate for her brother, too. She was always helping others. She spoke so highly of how hard Shannon worked for their family so she could be a stay at home mom. She was an amazing human being and I miss her so very much. This world will not be the same without her and I continue to pray for strength for her family during this incredibly difficult time and for years to come. She will always be Grayson and Logan's Momma and I hope she knew how much she meant to so many people. Breakfast Club will never be the same without sweet Tina.

“ Tina was an incredible partner when she worked at Buckle. Her work ethic , floor presence , connection to team and guest , leadership and salesmanship was one of a kind . We had so many great memories together. I don't remember a time she wasn't laughing or smiling . I am thinking and praying for you and your family!

“ I had the blessing of working with Tina for many years while she was manager of the Longview, TX Buckle. We shared several professional and personal stories and goals together! She longed for a family-she loved being a wife, mother, and friend to so many. Her smile was so magical, it always calmed out time together. She was a mentor to so many people during her Buckle career, including myself. We learned a lot together. I will treasure her in my soul forever. Love and Blessing to Shannon and his family.
