Thomas Scott Brackett was born on February 16, 1934, to Norman and Marie Brackett in Brooklyn, New York. He passed away on February 11, 2026, in Tulsa, Oklahoma, surrounded by family.

After graduating from high school Tom proudly served his country in the United States Air Force and developed a love for all things aviation. Tom married the love of his life, Revella McCormack, on April 16, 1961, in Monterey, California, and went on to have two boys, Scott and Steven, whom they both adored. Tom enjoyed a 40-year career working for United Airlines.

He spent many hours caring for his impressive flower gardens and immaculate lawn. Tom also enjoyed spending time in nature and often reminisced about all the great adventures they had on family camping trips when the kids were growing up. When he wasn't exercising his green thumb in the garden, Tom was known to enjoy a round of golf. You could find him out on the golf course multiple times during the week. In retirement, Tom and Revella traveled the world and experienced many different cultures. His grandchildren brought both him and Revella to Oklahoma. In his later years he enjoyed playing flight simulator games and building his own computers. Tom was blessed to enjoy spending time with his three great granddaughters these last 7 years.

Tom is preceded in death by his parents, his beautiful wife, Revella Brackett, his son, Steven Brackett, and his siblings, Charles Brackett and Carolyn HasBrouck.

He is survived by his children, Scott Brackett and wife Donia; siblings, Diane Billington and husband Mike; grandchildren, Matthew Brackett and Sarah Veldhuizen and husband Josh; great grandchildren, Ellanor, Abigail and Emily Veldhuizen.

And many more friends and family, whom he loved very much.
