

Tom W. Harrold

November 15, 1951 - March 18, 2017

Tom passed away in his home on Saturday, March 18, 2017 in Oologah, Oklahoma at 65 years of age. Tom was born on November 15, 1951 in Blackwell, Oklahoma to Bob Winston and Pearl Grace (Hawkins) Harrold. Throughout his life, Tom was a pillar of his church and his community. An elder and leader for 25 years at Immanuel Lutheran Church, Broken Arrow, he lived to spread the love of God to all those around him. Tom was married to his high school sweetheart and they raised their three children in the place he loved most, on the farm, just a few miles from where his dad was raised. Universally loved, he will always be remembered as one of the most genuine, caring and truly humble men anyone had the pleasure of knowing. Tom graduated from Blackwell High School, after being the Maroon Spirit for the class of 1970, and Oklahoma State University with a Bachelor's of Science in Geology. Tom married the love of his life, Jeannie Bush on August 20, 1972 in his hometown of Blackwell, Oklahoma. Tom and Jeannie were married for 44 wonderful years and were blessed with three children and five grandchildren. Tom was a wonderful husband, father and Papa who relished his time with family. An avid outdoorsman, Tom could always be found working on his land and livestock, or fishing on his pond, often times with his grandchildren in tow. Tom was a Certified Petroleum Geologist and a Certified Petroleum Geophysicist. He was a longstanding member and/or officer in the Society of Exploration Geophysicists, the American Association of Petroleum Geologists,

Geophysical Society of Tulsa, and the Tulsa Geological Society. Tom worked throughout his life as a Geophysicist for several Oklahoma based petroleum exploration companies, most recently being Eagle Energy Exploration in Tulsa. He served one term on the Oologah Public School Board.

“ *Jeannie, I don't have your addresses so this will have to do. Can't imagine the shock and pain your family is feeling. Tom hadn't changed a bit since I last saw him. You all visited us in Colo. Springs. Sarah was in her kiddie pool, Tom was supervising and I heard him explaining why you shouldn't drink pool water! Loved your gallery of family photos. What a kid magnet he was. I know you have a strong family and faith network but know I am thinking and praying for your family.*

*Love,
Mary Beth Brubeck*

“ I was very sad to hear of Tom's passing, how strange, still to young.

Tom and I crossed paths in the CITCO Exploration Training Program (1974) and several years later at Santa Fe Energy in Tulsa (he was working for Steve Stouffer, chief geophysicist, there).

Tom was an ideal professional, an accomplished petroleum exploration geologist, and a man of great moral integrity.

My sincere condolences go out to his family. So very sad.

“ Universally loved, admired and respected by those in the geoscience community. He was such a good man, he brought out the best in all those he dealt with. He truly lives on in the lives of those he touched, so much the better for having known him.

“ We have lost one of the great, great individuals of our business. Tom always was engaging, helpful and a real standup guy. He made us feel welcome and helped whenever he could. I was shocked by the news of his passing as I am sure many others were and to his family and friends wish our sincerest sympathies. He will be missed in our energy community for a long time.

I had known, worked along side, played, and prayed with Tom for over 37 years. A finer man never existed. Kind, humble, honest, professional, fun and full of life. I always loved his infectious smile!! I will miss my friend! Tom defined the words, "a good man." Jeannie--my thoughts and prayers are with you and your family.
