“ I will always remember Tommy and the fun memories. I can't remeber a bad time with Tommy. I never saw anger or hostility in him, I just knew a man who enjoyed life. I knew Tommy since 2012 and counted him as a friend. From playing: cards, uno, dominos, other board games, to talking about sports, and BSing it's been real. I pray for his soul, and for his wife, my friend Alexis as well as his beautiful baby boy that I had the pleasure of meeting in September.

“ I'm so extremely sad of Tommy's death. It is really hard for me to accept and even believe. We have many memories together...lots of laughs and fun times together. Prayers And hugs are with his family and Alexis and her family. May God be with them all during this hard time. Me & the kids love you, Tommy. Hope you are flying high while wearing that towel of yours, throwing up the four!

“ *I miss Tommy greatly. He brought infectious laughter, an easy going spirit, and a love for all people to the workroom floor. He had class, morals and a generous nature. He was a joy to work with at the USPS. From the moment he knew he was going to be a Daddy, he beamed. When his beautiful son arrived, he shared every little milestone. He loved his beautiful wife fiercely and was so proud of his new role as Daddy. He will always be remembered with a smile.*
