“ My girls and I are gonna miss our sweet loving Tracy... Had to tell Brooklyn and Bria about her passing this weekend. They are heartbroken. I am forever thankful to Tracy for talking me into Cheer coaching 8 years ago. She promised me she would stick by my side and she always did...So supportive and encouraging...Anyone mess with her coaches and she would set them straight....After I moved from BA to Bixby she wrote recommendation letters for me to continue coaching. I still relied on her for advise and policy as a cheer coach. So many hearts are breaking as she will be truly missed. Love to you and comfort. Candice Shepler

“ Tracy was one of the upper Glassman at Spiro High School. I remember her smile and the zeal she had for life. She was a beautiful person. I'm saddened by her death but I am also full of joy that she was a woman of God. The picture she purchased for her home that was posted by her daughter spoke volumes. Sometimes God does things in our lives that we don't understand at the time, but then one day the purpose is revealed to us and it makes us stronger. Family be encouraged. Stand strong and call on Jesus who us our comforter and our Prince of peace. From my family to yours. Minister Janet Whitfield, Latter Rain Pentecostal Church, Alexandria, LA 71302

I just heard about the departure of an angel on earth, Tracy, as God took her home. Charles and I and our family are so sorry for you all. Our hearts and prayers go out to you as you both grieve and celebrate the life of this wonderful woman. When in her presence, it was like sunshine to one's soul. Meanwhile, know you have another angel in Heaven watching over you.

“ Deer Fulps family, I just wanted to let you know that you are in my thoughts and prayers. I was devastated Saturday morning when I heard the news. Tracy was a dear friend of mine while we attended NSU in Tahlequah together. Always had a great appreciation for her and her wonderful spirit and demeanor, she was someone I always enjoyed hanging around. She was one of those friends that even though we would go for months or years at a time without seeing each other, we would pick up right where we left off. I just wanted to let you know that she will not be soon forgotten and certainly she will be missed by this old ball coach.
May the Lord turn your sorrow and pain into nothing but wonderful and happy memories of the blessings that you got to share in the life of Tracy.

Sincerely, Allan Trimble
