

Tsuneko Jones

March 20, 1938 - February 12, 2026

With heavy hearts, we announce the passing of Tsuneko “Sue” Hamada Jones, who peacefully left our world on February 12, 2026, at the age of 87. A devoted wife, mother, grandmother, great-grandmother, aunt, and friend, Sue’s warmth and kindness touched every life she encountered.

Born on March 20, 1938, in Mitaka, Japan, to Honichi and Tsuruko, she grew up in a loving home on a small fishing island, where family and generosity shaped her beautiful spirit.

She met the love of her life, Frankie Jones, while he was serving overseas, and they were married on May 6, 1958. Their 67-year marriage was a true love story — inseparable, devoted, and often seen walking hand in hand — until Frankie’s passing in 2024.

Sue was the heart of her family. A devoted mother of three, she poured unconditional love into her children, grandchildren, and great-grandchildren. Her home was always open. No one ever left without being fed or sent home with something in hand. She was especially known for her handmade egg rolls — though no one quite knows how she made them taste so perfect. In her quieter moments, she also loved to crochet, carefully stitching blankets and small treasures for those she loved, each piece made with the same patience and devotion she showed her family.

Those left to cherish her memory include her daughter, Ann Perkins; her grandchildren, Dena Curtis, Graham Howard, Sheena Green, and Lindy Howard-Ordonez; her great-grandchildren, Adyen Ash, Liam Curtis, Anniston

Green, Adeline Green, Elliana Green, and Everly Green; her extended family, including Michelle Mills and her children, Ethan and Ehren Mills; along with a host of beloved nieces and nephews.

While we don't have all her recipes, we will always carry the love she stirred into every meal and every moment. Her kindness, laughter, and generous heart will live on in all of us.
