“ *Van and I were friends for over 24 years. We first crossed paths in 1995 at Metris in Tulsa. My first impression was “who is this guy all pressed and fancy” the next day I show up trying to show him up! When Van saw me he said “you get it you’ll never make any money until you believe in yourself and dressing for success is believing in yourself”. I will never forget that and have been doing it ever since. Van was a great roll model for me and he was always there for me as a friend and confidant! Because of my job the last 7 years we mostly talked over the phone literally thousands of hours. I was privileged to be among the first Van called that Saturday morning Linda passed. That was a very hard time. For the last 23 months my friend was going thur greef and doing very well being positive and working towards moving on. I visited Van a few weeks ago. He seemed too be doing well and was looking forward too moving too a retirement community in Tulsa. My last conversation with Van was Tuesday before his passing. I will always love and miss my friend Van Greenwood. Rest In Peace dear friend!*
