“ *Uncle Vernon's service this morning was such a beautiful tribute to one of the most outstanding men of God that we've ever known. It was a joy to know him, be around him and feel God's love through him.*

We get so excited about heaven when we think of the glory which we can't begin to imagine. Vernon is for sure just loving being with Jesus and the many who have gone before who, like him, trusted in his saving grace.

As several of us discussed, the last two weeks were so bitter sweet. It hurts to say goodbye, but it was an honor to help in a small way as he made his way to his eternal home. One of the greatest things about heaven is knowing that we will "never" have to say goodbye again to our friends and loved ones.

Katie, how blessed you have been, and what a blessing you were to Vernon. It is so evident that there are many, many people who love you both. We pray God's peace, renewal of strength and precious memories will sustain you.

*Our love,
Elmer & Marcella Pense*
