

Virgil Fred Mobley Jr.

April 27, 1956 - August 17, 2022

Virgil Fred Mobley, Jr. was born on Friday, April 27, 1956, in Bay Village, Ohio to Virgil Fred and Melva Louise (Oard) Mobley. He passed from this life to his eternal heavenly home on Wednesday, August 17, 2022, in Tulsa, Oklahoma at the age of 66.

Virgil was the second of two children born to the Mobley family. His sister, Judy, was nine years older than him and treated him like he was her baby. His parents owned a construction company. Virgil grew up learning this business from the best. He attended school in Illinois and graduated class of 1974. He played football while in high school and loved muscle cars. His favorite car was a "Cuda" that he painted metallic green. While in high school his family lived across the street from Vickie Joyce Egan and her family. The two fell in love and married on December 27, 1975, in Normal, Illinois. Vickie's favorite color just so happened to be green. After marriage, he and Vickie moved from Illinois to Texas and eventually settled in Oklahoma.

Virgil wasn't one to sit idle, he worked tirelessly within his many business ventures. Virgil and Vickie had two sons, Jason and Jeremy. It was important to Virgil that they worked as a family. The Mobley family are members of The Church of Latter-Day Saints. Virgil was very dedicated and very involved in the church. He also enjoyed playing golf in his free time. His family describe him as a very loving father, a great role model, and teacher. His two sons say

he taught them many life lessons and skills, but especially how to be a good husband and father. He was a wonderful Papa to his three grandchildren. He will be missed by all who knew and loved him.

Left to cherish his memory are wife, Vickie, of the home

“ I didn't know him well, but he was a generous and kind man. He allowed me to be baptized in his pool on May 30th 2020 in the beginning of COVID. I had the pleasure to work with him and his wife in the Temple.

“ I worked with Virgil in Lincoln when New Tech had the LES Daywork Contract. We became good friends. I always enjoyed meeting him on the job because I always walked away happier. He was a man of excellent ethics and a 'can do' attitude. We've touched base with each other over the years and Vicki and I are friends on Facebook, so I was able to keep up with his life ventures. I will miss our phone conversations. I promised him I would visit sometime but somehow time slipped away. I regret not taking the time to visit. God bless Virgil's family. I am sure you have many great memories.
