“ June was a vital member of our Sunday School class we all affectionately called her “June bug”.

*She was an encourager to many that went through breast cancer as she was a survivor also. Remember catching her out with her daughter at restaurants or shopping . She always had a smile and enjoyed our class fellowships , operation shoe box in December, And our annual widows luncheon. She had a low voice and even when she whispered I could hear her! Precious lady and proud to share her faith loved her children and grandchildren and was so proud of them. Always had a smile, remember she drove to church even at 90 even gave others rides occasionally she will be missed and I am glad we met at AHBC and thankful to have been her SS teacher since 2010! Sending love and prayers to family!Jacki Yager*

“ I have such fond memories of 'June'. Every Sunday morning at Arrow Heights Baptist Church, during my Cancer treatment, she would seek me out to share her concerns. Always, with her beautiful smile and a hug, she would ask me how I was doing. I assured her I was doing fine and her statement was... "she would continue to pray for me". I miss her...❤️

“ June was one of the widows who sat in the back two rows in Arrow Heights Baptist Church when I first came here just 2 weeks after my husband passed away. She was always pleasant to everyone and remembered my name from the beginning. That was special to me because I was feeling kinda lost in a new church and for the first time in 50 years was coming alone. That was in 2009. June was so special. Margie

“ I am saddened by the death of Ms. June. She was one of the first persons to make me feel welcome when I joined the Silvertones Choir at AHBC and always had a friendly word and hug for me when we talked at The Club at Indian Springs. Prayers for you, Brad and Cheryl, as you get move your lives forward without Mom in your daily, earthly lives. I will miss her warm smile.
