“ *If Wade Anderson got kicked in the face it's because some guy named Cody Bechtol SR. Purposely said to because he wanted something and lied saying his son was in danger when his son was only having nightmares. Don't make mistakes on which Bechtol because it was not the young Cody Bechtol, it was the order Cody Bechtol who requested anything done to Wade Anderson because he didn't care because Wade Anderson was no body to Jim, but he is somebody to me. Please don't take it out on the people who may have done anything, meaning the actual body because he was just trying to protect me and didn't know Cody Bechtol SR. Was lying.*

*Can you make more sense because it doesn't make any sense. So do you know how he died or not because he was a nice man and he didn't get involved in anything*

*IRISH MOB GANG MEMBER PAUL THE WALL HACKED MY ACCOUNT AND THIS MESSAGE IS NOT FROM ME. THIS MESSAGE IS FROM THE MAN WHO KILLED MY FRIEND AND LIED ABOUT CODY BECHTOL.*

“ *If the cause of Wade Anderson's death has facial trauma it's because Cody Bechtol's dad who is also named Cody Bechtol. He wanted Wade Anderson's face kicked in over nightmares no other reason. I remember someone giving Cody Bechtol not the 23 year old but the father of Cody Bechtol a choice and he chose to have Wade Anderson's face rearrange back in November of 2015. It was not Lesia Leffler or Cody Anderson's fault it was Cody Bechtol the one that's around 50 years old. I am doing my best to keep peace and let the Anderson family know why. Wade Anderson was my best friend. Cody Bechtol SR. Knew it was just nightmares. Cody Bechtol the young kids was OK and safe and not being hurt by anyone. I don't understand why Cody Bechtol SR would have NO concern for a man's life. Please people understand I love Wade Anderson and I don't want anything bad happening to innocent people.*

“ I need to say if anyone tries to attack anyone a lot of deaths can happen. Please understand I'm trying to not be doing all these posts but people are trying to harm me and make me do things I don't want to like make the posts I already made. A crazy person has been making me make these posts. I don't want death or harm to people without the thought of how this effects all the people I posted about. Please understand I am afraid of people who don't care about all the people I've said anything about. I am afraid of the person forcing me.

“ *Lesia Leffler, Cody Anderson's mother had Wade Anderson moved off the medical yard in OKC to a yard where Wade Anderson would have no choice but to die at their convenience which was Wade Anderson's parole date. Lesia Leffler has been playing God with so many lives through the years she keeps running in her mind to hide. Lesia Leffler had a good man killed because Lesia Leffler did wrong in so many people's lives. Cody Anderson and his mother Lesia Leffler thinks they are God and can do as they please with any life they want. Just start asking why am I here in life? Did someone purposely hearded me here for their own personal reasons of gaining power with the powers that be. Lesia Leffler should never have power of any sort because she is evil. Lesia Leffler lives in Creek county.*

**MARY HOWARD** - August 20, 2024 at 02:11 PM

“ *Wade Anderson was one of my best friends in the world. The first woman and only woman he loved with that innocence of true love was to Sissy who stole his bike and his heart. The second woman that stole his bike and his heart was me Mary Katherin Moore daughter of Chuck Moore one of Wade's best friends before my dad went yellow on him. Cody Anderson and Lesia Leffler, Cody's mother had him killed because of a possible future and because Lesia Leffler had gotten too many IMG busted through the years and never got caught till they met me.*

**Mary Moore Double-Trouble** - July 18, 2016 at 12:42 AM

*Cody Anderson and Lesia Leffler may try to have me murdered also because they are guilty as Hell and I miss my best friend Wade Anderson. I loved Wade Anderson also. Sissy it might get rough because they're waiting for someone to get them back for killing a good man and accusing him of vicious acts upon children that he never did. He never harmed children. Wade Anderson made love to me in 1998 after my home was raided. My dad turned yellow and I was looking at 25+ for not rolling on the families. I miss Wade Anderson.*

“ Wade and all of our family grew up in Selling. I have only good memories of him in high school and of him "dragging main" in his cool car! How sweet life was back then. I'm so sorry for your loss girls! It brought tears to my eyes and sorrow into my heart to hear that he passed from this life at such a young age. God Bless each of you and we are praying for you!
