“ Walt and I were friends for many years and he did many dealer trades for me. He and my brother Bob were good friends as well. Walt was one of the nicest people I have ever known. He was a joy to be around and brought the best out in you. I know that there was a great reunion when he crossed the finish line! I count it a great blessing to have been his friend.

“ I have fond memories from many years ago as Walt serviced Ted's Hamburgers as I worked for my father, I got to know him back then. Although I haven't spoke to him in decades I always remembered him as a great guy. RIP old friend.
