“ *So sorry to all my cousins that you have to bear this loss. I wish we lived closer so we could help support you now. I always had a soft spot for JR and remember his visit to my home in Oakland quite a few years back. I also remember how he got his name of JR. We were visiting you guys in Kings Park and everyone called him "Dups" back then. My mother said he wd hate that name once he got older. Jean and Butch thought about it and "JR" was the New name they chose (he was just TOO cute to be called Walter). Again..thoughts and prayers are with you all.*
