“ *Gene was one of my best friends! We did some church work together on a regular basis. He was always so congenial and was a great encourager! He always greeted a lot of brothers and sisters at services. I am glad he is no longer suffering and now with our Father in Heaven! --Bob Arledge*

*I just heard of his passing & it breaks my heart. He was my manager at American Waste for many years. Afterwards, we remained friends. Years later, my Dad called & told me he ran into Gene at the bowling alley, he was in a league too & he recognized Dad & talked a while. My husband Ronie also worked there with him since the start of the company. Ronie & I have fond memories of Gene. We went to their home in Salina (their getaway) for lunch & a great visit. Beverly, Ronie & I still think the world of you both. The wonderful memories will always remain. He was like family to me, always cheered me up when I was down. Please know you're all in our thoughts & prayers.*
